I understand that this is a function you weren't expecting to plan & it's an extremely upsetting time for you all. I would like to give you peace of mind that the refreshments are in safe hands with Teapot Catering.

The service I offer is unique to most, making it flexible to where it is held - whether it's a Local Village Hall, Function Room, your Church / Chapel, or a small gathering in the comfort of your own Home.

I will create a warm and friendly environment to welcome you & your guests on your return from saying your goodbyes.

The buffet table will have white cloths, china plates, napkins & filled with well-presented freshly prepared food. The tables & chairs will be arranged to ensure conversations flow & memories are shared, along with a service station where Tea and Coffee will be served in china cups & saucers.

I will do my best to make a difficult day just a little bit easier for you & your family.

All prices are for 40 people & above - lower numbers are possible but, will occur an extra cost.
